Every lady who desires to keep up her attractive appearance, while at the Theater, attending Reception, when shopping, while traveling and on all occasions should carry in her purse a booklet of GOURAUD'S ORIENTAL BEAUTY LEAVES. This is a dainty little booklet of exquisitely perfumed powder leaves which are easily removed and applied to the skin. It is invaluable when the face becomes moist and flushed and is far superior to a powder puff as it does not spill and soil the clothes.

It removes dirt, soot and grease from the face, imparting a cool, delicate bloom to the complexion. Sent anywhere on receipt of Ten Cents in stamps or coin. P. T. HOPKINS, 37 Great Jones street, New York.

**HILO BASEBALL LEAGUE MEETING**

Last Friday night the Hilo Baseball League held a meeting at the Central Meat Market, and President Lyman was in the chair. The chairman explained that the meeting was called for the purpose of hearing from the committee appointed to investigate the chances of other teams coming in and playing during the coming season.

George Desha said that his committee had to report that there was no doubt about two teams that were at present unnamed, joining the league. The Japanese Athletics and the Chinese Athletics were already entered, and with the two town teams before mentioned, a couple of country nines, there should be a great season of ball ahead.

There will be no junior teams at first, but later on in the season there may be nines made up from the younger players.

The matter of a schedule was brought up and a committee composed of the following players was formed: Ed Desha, W. Ah Hip, Huiamag, Solomon and John Rickard. The full program will be announced next week, but the first game is to be played on April 23. Each team that joins the league has to pay an entrance fee of \$10, and the winners of the championship will get a silver cup that has been offered by the A. J. Roach Co.; that is, if certain conditions are agreed to.
